Over 100,000 bikes were stolen across the UK last year; less than 5 per cent were returned as the Police were unable to trace the owner.

Register the ownership details of your bike and make them viewable to the Police nationwide **FREE** for life on the Immobilise Property Register.

DON'T GIVE THIEVES AN EASY RIDE ON YOUR BIKE

REGISTER

Register your Bike at
www.immobilise.com

It only takes a minute and it is **FREE** of charge. All you need is your bikes make, model, frame or other identifying numbers.

The **red dots** indicate where you can find identifying numbers.

Once registered you will have a greater chance of getting it back if it is stolen. This is because the Identifiers and your contact details are viewable on the Police national stolen property database systems.

REUNITE

If your bike is recovered you will be contacted by the Police and given the appropriate recovery information.
